

Mp3 Stephanie Schneiderman - Live At Kung Fu Bakery

[DOWNLOAD HERE](#)

Stephanie's music can have the kind of the grand, sweeping and moody art rock feel of Amos one minute, then she's wandering down soulful roots territory or crooning in a jazzy yet crystalline way. 10 MP3 Songs

POP: with Live-band Production, ROCK: Folk Rock Details: Schneiderman blends and blends various genres into one diverse palette. Her rich, serene vocals and earthy presence exude an artful maturity, as she adeptly mixes her roots in jazz, pop and classical music with her own intricate songwriting.

Stephanie's music recalls contemporary artists like Tori Amos, Sheryl Crow, Erika Bahdu and Patti Griffin. But her voice also evokes hints of jazz singers like Sarah Vaughn or Diana Krall. Her music is understated, sultry and laced with delicate vocal precision, while maintaining a depth that is expressive and warm. Stephanie's music can have the kind of grand, sweeping and moody art rock or Amos one minute, then she's wandering down roots territory or crooning in a jazzy yet crystalline way. Still, it's all pure accessible pop that is beautiful and sensual.
