Bringing you gospel hip hop with a street mentality. 15 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: East Coast Details: Street Sweepers, comprised of three ministers of the Gospel of Christ, G-Wade from Washington, DC, R-Swift and Ackdavis from Philly. Three ministers with three distinct styles of ministry. God has joined these brothers together for one purpose and that's to preach the unadulterated Word of God to the lost souls of the world. After performing as solo artists up and down the east coast, the three felt that they could make a greater impact in ministry as a group. So after a lot of prayer and earnestly seeking God, they all felt that God had given them the green light and so the Street Sweepers were born. Street Sweepers released their debut CD entitled, "M:22" on I-66 Entertainment. This CD is guaranteed to spiritually clean up the streets by inviting all to come into the House of the Lord. They were honored with the 2003 Holy Hip Hop Award at the 2003 Holy Hip Hop Awards in Atlanta, GA and were nominated as group of the year by What's The Word Magazine and the Urban Gospel Alliance in Oakland, CA. They have performed with such groups as, Cross Movement, Grits, Seventh Day Slumber, Corey Red Precise, Urban D, as well as, Christian organizations; Acquire The Fire, Holy Hip Hop (ATL), Rap Fest (NY), Flavor Fest (FL) and Hoop Heaven Basketball Camp (NY). Along with the completion of R-Swift's solo project, Elevation - 81.02, you can also find them working on other solo projects. G-Wade is currently working on two projects, his solo debut CD, "He's Still #1" and a remix project entitled "RECREATION... Anatomy of the Remix." Also, be sure to check out new Gospel singer, Jenelle's solo release, "Jenelle." Keep your eyes and your ears open for what God has in store for them.
