Contemporary West African, 100 acoustic, with kora, guitar, double bass, female and male voices. 9 MP3 Songs WORLD: African- West, WORLD: World Fusion Details: Songlines "Top 10, Top of the World" Review by Nigel Williamson "Concentrated listening reveals hidden depths and all manner of contrapuntal cleverness, chromatic surprises and complex signatures. There's an unmistakable feeling of constant forward motion, underpinned by the rolling rhythm of the bass, over which the guitar and kora trade irresistible cascades of notes without ever indulging in showboating. Taffetas have come up with something rare these days even in the adventurous and open-minded genre that is modern world music a sound that is totally fresh and unique." (...)
