Christian Progressive/Alternative Rock 12 MP3 Songs GOSPEL: Contemporary Gospel, ROCK:

Progressive Rock Details: Most people write something in the third person... The Mustard Procedure is a dynamic band dedicated to.. blah blah blah. We are a band. We strongly believe that Jesus Christ is the only path to find meaning, significance, hope, joy and eternity. We are people who struggle, we are like you. We write songs from our hearts about life, relationships with each other, relationships with God, God's Character, Our lack of Character and the challenges of our own cynicism. We like to make you boogie. We like to make you think. We like to make it real.
