CAN'T SLEEP ON THIS ONE. 20 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Rap
Details: The anticipated follow up to Run Widit is here. I Know Ya Heard Of Me from Undaground Sam. Through all the tragedies and obstacles UG Sam has finally released one of the hottest cd yet to come out of the M-Town, he has brought aboard once again that fire from TrackSmith Muzic and new sounds from producer on the come up Homemade Hitz Company. UG Sam also has brought the song stress Jackie Johnson (R&B artist from the Hustle Flow movie) to lace the tracks. make sure you stop by myspace.com/undagroundsam, let me know how you are feeling the album... Special note: Undaground Sam does not support Cristal products, the tracks that have the word Cristal in it was made before the comment from Cristal Exec. Frederic Rouzaud, please do not let this stop you from supporting his music. M.O.T.T Recordz
