

Mustangs - Meryl Magby

[DOWNLOAD HERE](#)

While mustangs are not native to North America, they have become an iconic American animal. These feral horses are actually the descendants of animals that escaped from Spanish settlers. Today, though, mustangs are very much at home in the plains and deserts of Western North America. Readers will learn about mustang foals and life in a mustang herd. They'll love pouring over spectacular photographs of these graceful animals and the arresting landscapes in which they live.
