

Pimp Your Gmail

[DOWNLOAD HERE](#)

Have You Ever Wished That Your Email * Managed Your To Do List * Adjusted for Your Location and Time Zone * Showed Your Calendar * Allowed You to Chat with Your Friends * Viewed pdfs * Turned emails into editable text documents with one click? * Allowed you to manage multiple email accounts from one inbox * Allowed you to send emails from a variety of email addresses - in one place? Gmail Does - If you know how to customize it! This five video series and accompanying PDF will teach you how to turn your Gmail account into an organizational DREAM! Instead of spending time editing emails, scribbling to do lists on paper, and relying on virtual file servers - let your Gmail account do it for you! After you've seen these videos, you'll never go back to traditional email again.
