Sun, Surf and Sex on a Beach by Tuesday Morigan Sun, Surf, and a summer affair...she just might experience all three, if he can keep her alive long enough. Sun, surf, and a summer affair are the three things on Michaela Jameson's list of things to do while on vacation in Sydney, Australia. For years now beakers, Bunsen burners and hypotheses have been Michaela Jameson's whole existence. But her latest experiment just might cost Michaela her life. Determined to keep their star project alive, her employers hire Donovan Kelly to protect its most important asset, Michaela. One look at Donovan and Michaela knows she's in trouble. With him guarding her twenty four seven she sees little chance of achieving her goals. One glance at what Michaela's hiding underneath her lab coat and Donovan knows he wants in. And judging by the heat between them, Donovan might just get his chance. That is if he can keep the sexy scientist alive long enough to cross everything off her to do list, wicked sex included. Aloha Kaua by Jenna Byrnes On her first trip to Hawaii, Michaela Donovan discovers lust and love in the most unusual place. Aloha Kaua. May there be love between us. Michaela Donovan isn't sure about love, but she's looking for something on her first trip to the Hawaiian island of Oahu. Her week-long stay with a group of sales contest winners, real estate agents like herself, starts out as boring as the man from Sheboygan who has eyes for her. Desperate to squeeze some fun from the rest of her vacation, Michaela sets her sights on the handsome surfer she sees every time she turns around. Kale Mahai hangs out on the beach, surfs, then hangs out on the beach some more. Michaela can't help noticing his silky, shoulder-length black hair and smooth, muscular chest. She can only imagine what's under his colourful board shorts, and spends a lot of time doing exactly that. Kale's blue eyes are enticing, his manner seductive. His style is totally different from anyone Michaela ever met in Chicago. What happens in Oahu stays in Oahu, right? Michaela might as well enjoy herself. It's not every day she has a vacation from ordinary, and the Hawaiian-speaking hunk who turns her world upside down isn't the type to stick around forever. When Kale predictably disappears, Michaela's reaction, and response, surprise even her. Honeymoon for Three by Christy Lockhart Jilted! Selene's Awakening by Jude Mason Take a gorgeous, Canadian alpha male, who's fled the rat race and moved to the woods, and add an equally gorgeous, but spoiled, British woman with an attitude and buried submissive tendencies and what do you have? World War III? Love? Maybe a little of both? Disillusioned with the world and all its civilised gadgetry, David Wolf moves to the wilds of Western Canada's forests. Selene Jordan, one of the rich and infamous, is from the UK. She has it all and isn't afraid to show it off, or berate anyone who doesn't have as much. Selene is vacationing in Canada and manages to run her pretty blue sports car into a ditch, and knock herself out in the process. David finds and rescues her, much to his chagrin later.
