Two Worlds. One Mystery. Cassandra returns, still caught between realities, and she has another mystery on her hands. Eight-year-old Adam Baker is the latest in a string of children to mysteriously vanish, and when the bones of a young child are found, Cassandra is increasingly worried for his safety-and the Preternatural Crime Unit has ordered her to keep away from the case or else. Meanwhile, Aram is facing trial, and only Cassandra can save him. But does she want to? Juggling a boyfriend, college, vampire politics and investigative work is difficult, and it doesn't help that something seems to be wrong with her powers. Can she pull herself together in time to save all those lost in the night?
