Details: BIOGRAPHY Part Zimbabwean, part Italian, Chanel Fusco has always been influenced by music, even at the age of 10 when she sang with her father who was a drummer in a local band in Lancashire.Chanel with a developing talent for song writing began her first steps to a career she has always dreamed of and had begun to compile a comprehensive song catalog at an early age, not every song would be used on her forth coming album, but Chanel is always writing, it is something that touches her heart and soul. Chanel took a few years to achieve her first album Fragile This Way Up which was never released, but it gave her the inspiration desire to achieve her current album Sad Goodbyes which has been recorded by The Next Room Productions in 2008. These guys truly understand Chanels vision are such a great team to work with. Chanel has also been working with Daddyfunk45 Records on a single release of Shower which has been remixed for the House scene she is currently touring up and down the country with her full live band as well as live PAS in top London Clubs where she has received a great response, especially from the soul crowds in Manchester London.Chanel is currently working on new material for a second album as well as co-writing with Richard Darbyshire (living In a Box) Video shoot for a second track soon to be announced more info on myspace facebook. CHANEL FUSCO'S COMMENTS I am inspired by the soul "titans" of the industry such as Tina Turner and Mary J. Blige. Primarily it is their raw and melodic approach to their writing style that I try to emulate. At current I am in the studio working on new material, which looks very exciting... WATCH THIS SPACE! I would like to thank LIBERTY HALL STUDIOS where we rehearse, what a great atmosphere! Also a big thank you to my street team,

especially Ian Baker FUSCO MUZIK! LIBERTY HALL STUDIO'S COMMENTS We have been fortunate enough to witness this artist grow from a solo artist with some cracking tunes, through an intense 6 month audition process, to a complete band with an amazing sound. Chanel Fusco is most definitely in our humble opinion an artist to listen out for! FAVORITE TRACK: "Shower" THE NEXT ROOMS COMMENTS This girl is unique absolute quality when she first came into our studio she blew us away so hard working a real perfectionist we just love working with her.
