Energy filled smooth jazz grooves featuring keyboards. 10 MP3 Songs JAZZ: Smooth Jazz, JAZZ: Jazz Fusion Details: Charles "Boss" Gamble A self taught musician started playing drums at his father's church at the age of 5. As time went on, he gradually started playing keyboards at the same church at the age of 16 where he is still currently on the music staff as one of the keyboardist. Boss has a different view of music than a lot of his counterparts, as he relays heavily on 'feel' verses technique. This view and style has allowed him to be a much more diverse and creative keyboard player. Some of Boss' major music influences include, but not limited to are George Duke, Jeff Lorber, Bob James, The Winans, Commisioned, Teddy Riley, Jimmy Jam Terry Lewis as well as many other musicians, producers, and singers. He has accompanied various singers and choral groups in the city of Las Vegas. He has also recorded with and produced for several artists in the local area. Boss' first project, Hourglass, will inspire, uplift, energize each listener. Mind, Body, Soul. It's His Time! 2006 Charles "Boss" Gamble
