John Mayer fans back off--- CRF's music is a sledge hammer of furious FOG METAL that will crack through your skull and keep you bleeding for more.... 11 MP3 Songs METAL: Death Metal, METAL: Black Metal Details: ALTHOUGH HE'S ONLY FIFTEEN, Nestor Rzezniak's vocals are both guttural and dramatic, ranging in degrees from torrid to chill. The cycloning guitarS of Erik and Sik invite luscious leads that offer any metal ear a rejuvenating raw and rare intensity. Buddah's drums fuel up the Fog with a big rock sound that nestles and festers with the speed and fury of a seething disease. Cross Rising Fog's music forfeits and assaults the mundane while basking in the fiction filled edginess of heavy metal. The old school with the new, Cross Rising Fog's music is both original and charged. SHOWS: Metalfest- Milwaukee Wi, Metal Meltdown- Asbury Park, Almost Hell- Huntington WV, Ozzfest second stage spin off- WV, QUOTES = "Metal that will burn your ass-you better check these guys out before the tickets are fifty bucks...they won't be in this town long" M.R. owner of club Marley's Dog House- Huntington WV "When I play Cross Rising Fog over the store's system, I get more request for their cd than any other artist including the big signed bands. I'm in the business of selling music and this is one band I definitely want on consignment!" S.J. Sam Goody manager, assistant to district "Cross Rising Fog is for real! With perfectly placed body peircings, cool hair cuts and trendy mosh pit clothing...a lot of bands may LOOK the part...but the blow-you-out-of-your-seat sound of Cross Rising Fog transcends any notion of metal posers. Their searing hot speed is backed by deep-dish bass that mixes into a uniqe wall of noise. The wild metal circus of Cross Rising Fog will not be ignored!" Tim Irr WSAZ television reporter/anchor
