Instrumental Rock / Instrumental Metal 12 MP3 Songs ROCK: Instrumental Rock, METAL: Instrumental Metal Details: Getting together with bassist Dave Waterbury (formerly with Spirit) guitarist Dennis Lotka serves up his first all instrumental rockfest "Dreamland", featuring twelve energetic, up-tempo tracks.

Fans of Michael Schenker, Satriani, Blackmore will be delighted and tracks such as "Seven" and "Alien Hokey Pokey" jump out of the speakers and command attention of even the most accomplished guitarist! Half way, Dennis tones it down with change-of-pace numbers such as "Prelude - Bach Suite #1 (played on accoustic guitar), before putting the hammer down with aggressive tracks suchs as "Oh Yes".

Dreamland is paced quite nicely, with varied material that never strays too far from its hard rock base.

Clearly, Dennis and Dave are a force to be reckoned with.
