## Mp3 Doug Jones - Special Lady

## **DOWNLOAD HERE**

This CD Rocks with everything from Traditional Country to a Unique Modern Country Sound. 12 MP3 Songs COUNTRY: Country Rock, COUNTRY: Traditional Country Details: Doug Jones has spent twenty years in the music business, traveling across Canada playing cover tunes in nightclubs, festivals, at stampede parties and at corporate functions. Doug is actively pursuing his passion as a singer/songwriter of original material. He writes his songs with co-writer, lyricist James Broydell, both of whom have experienced many of the situations written about on Doug's new CD called Special Lady. Working with producer and sound engineer Miles Jackson, Doug has developed a unique country/country rock sound. Doug's writing style has been influenced by artists like: The Eagles, Bob Seger, Waylon Jennings, Willie Nelson and Toby Keith.
