Details: Dualistics is a progressive pop band from Denver, CO. Starting originally as a recording project by Jimmy Stofer (bass) and Scott Russell (drums) in late 2006, the additions of Charley Hine and Tyler Despres (guitars and vocals) helped complete the band allowing them to play live. Blending equal parts grunge, prog-rock and pop sensibility, Dualistics has recorded 2 E.P.s with the current lineup. Recordings: The latest Dualistics release, a 6 track E.P. titled "Dualistics", is a true guitar record with darker, heavier grooves. It is the most aggressive material the group has released to date with their influences in more technical writing and playing shining through. On Stage: Collectively, the 4 members have been in over 25 musical acts over the last decade. As Dualistics they have played several sold-out shows with various national and international acts including Menomena, Margot and the Nuclear So and Soss, Tokyo Police Club and Flobots. Dualistics look forward to seeing your lovely emotions at an upcoming show.
