Great happy-go-lucky-manic-depressive music. If you like catchy 2-3 minute pop songs with a hint of melancholy -- ala McCartney or Neil Finn -- then you'll like this album. 10 MP3 Songs POP: Beatles-pop, ROCK: 60's Rock Details: This "album" was originally released on cassette in 1993. The rhythm tracks were recorded by Old Man Gillespie in his laundry room in lovely Hesperia, CA. The overdubs and mixing were done shortly afterwards by David Walsh at his Mom's house in the pristine serenity of Garden Grove, CA. Also, we weren't very good musicians yet. Still, it's got a certain charm to it. And now that it's been dusted off and digitally scrubbed clean it sounds pretty damn good. Take a listen and buy yourself a copy. We'll be your best friends if you do. John Hoskinson - Vocals, Guitar, Organ, Strum Stick, Kazoo, Percussion, Talking Urkel Doll, Chants Joe Mazzarella - Bass, Vocals, Organ hits, Acoustic Slide Whistle, Chants Mike Arguello - Drums, Percussion, Chants
