California pop. 10 MP3 Songs POP: New Wave, POP: California Pop Details: Gary Matthews is a voice Crying in the wilderness here we hear his voice coming to us over the Silence Of the Waves, one of the many great songs on this album. Helter-skelter is the manifestation of two writers. Singer-songwriter Gary Matthews and the poetry of Linda Ann Henry. Together they have touched us all, as the album progressed they realized that there was a touch of greatness here that went into what we have now a ., Masterpiece . the songs just roll through the album like water cascading down from a beautiful waterfall. The emotion of the koto mix with steel guitar and of course the acoustic Spanish guitar and these several other different instruments such as the Sitar come wafting through the music like little currents of summer air. Belly dancing through the leaves on the trees. Dancing butterflies. With a tangle of strings and the roll of distant drums calls the time. A time when we could dance around the Golden calf. Although brief it was a touch of time that something told us there would be no end of our rejoicing. And yet the days are fleeting, so when we hear this particular type of music. It's almost a meditation into the satisfied mind. Gary's music leaves you with a feeling of scintillation. An inner sense of joy and revelation. Gary's favorite Bible verse is Galatians 3.13 his favorite time of day, is sunset. Gary's favorite guitar is the F Stratocaster Gary's favorite color is robins egg blue. His fascination is reading Misty's great poets on alighthouse. his message here in this album is to crossover the spectrum of time to the wonders of times to come, and times that have past that were good. his message to the world. that is the brotherly love for one another all over the world. His passion is music, entertainment has always been his goal. Linda ann Henry is already a legend in the world of poetry and is now writing a book on her complete works.
