[DOWNLOAD HERE](#)

If you like sweet melodies combined with a variety of styles - performed in an unusual classical-crossover mood, then, this is YOUR cd. Piano, cello, acoustic bass, clarinet, organic percussion, vocals are the ingredients which will take you close to heaven 13 MP3 Songs in this album (58:51) ! Related styles: CLASSICAL: New Age, EASY LISTENING: Love Songs People who are interested in Antonio Carlos Jobim Antonio Vivaldi Heitor Villa-Lobos should consider this download. Details: Born in the Brazilian Amazon rain forest, Gaudencio Thiago de Mello grew up listening to the hymns brought to the Amazon by missionaries from Mississippi alongside with the rich melodies by J. S. Bach, Vivaldi, Debussy and other famous composers. Years later, he came to another "jungle": New York City, where he started his career as a musician/composer/arranger, after many years of studying under the guidance of pianist/composer Richard Kimball - who was, then, a teacher at the Juilliard School and at the Manhattan School of Music. At 75, Thiago de Mello is creating a variety of CDs with his rich melodies performed by wonderful musicians chosen specifically for different songs! Just listen to them. Listen to this one: A Flame in the Dark - and you will be taken to a glorious Journey!
