H4H=Rapid emotion through space causing elation. A duo that takes you over the stars and the sands, playing soul-scaping music with voices and hands. 14 MP3 Songs FOLK: Alternative Folk, COUNTRY: Alt-Country Details: Hymn for Her is a story of two musicians who took a break from touring with their band and traveled up to Maine to write a book. They made a deal with an inn-keeper to perform for the dinner crowd in exchange for a quaint little shanty by the sea. It wasn't long before cabin fever set in. Thus, a baby was conceived and a band was born. (They're still working on the book.) In the year of The Golden Pig, Spring 2007, their baby was born in Florida and the duo started recording an album. Things got cookin'. They stripped down . . . to the bare necessities: two acoustic instruments and two voices, keeping it as true to their live performance as possible. Back up the coast to Maine for a summer and fall of recording and shedding. Before cabin fever struck again, they high-tailed it home to Philly, PA where they completed their rising phoenix. Mixed and mastered at Studio 4 with grammy winning producer, Phil Nicolo, 'Hymn for Her' bring to you their debut CD, YEAR OF THE GOLDEN PIG! People who are interested in Iron Wine Feist Alison Krauss should consider this download.
