It was a Indie Rock band that toured Michigan, Ohio, Indiana, Illinois and Canada in the late 70's to early 80's. They played the club circuit 5 nights a week, 50 weeks a year, for about 17 years. Very few indie bands survived but a few years. This was the bands first album. They started a second album that was never finished as they broke up before finishing it. Some of the former members are still playing shows today.
