Sexy latin jazz-soul, with just a hint of a hip hop undercurrent: its music to vibe to. 13 MP3 Songs EASY LISTENING: Lounge, JAZZ: Acid Jazz Details: Seductive vocals woven together with Latin, Hip Hop and classic Jazz sounds - this is leisure suite. The kind of music to chill. Rich in ambiance with its own sense of purpose and identity. The music is both stylistically and rhythmically diverse, yet sonically fresh and essential. Hailing from the interior of British Columbia, this duo has created a fan base as passionate as their music. Leisure suite released their 2nd cd entitled Passionately Falling in the Spring of 2004. The album arrived one year after their debut effort Idle Places. Both cd's were critically acclaimed and exposed to sold out concerts. For over 5 years, leisure suite has been writing and performing original material. They are currently exploring opportunities within the publishing industry and continue to pursue airplay on independent radio.
