MikeX Bio: My name is Loren M. Higgs a.k.a MikeX the Owner and also an artist on the Paper Chaser Record label. I grow up in Miami, Florida with four brothers and one sister. At an early age I enjoyed all kinds of Music but was told that I can't sing, or rap so I didn't take the time to go after the dream I had from an early age. Then I got tired of people telling me what I can and can't do. I learn after being an Ex-offender and not being able to get a Job because of my back ground not to give up. I work hard just kept asking the lord to lead me and I was giving a chance. I took that chance worked hard and now I'm doing what I always loved Creating and Making Hit Music.

Smoked Out Bio: My Name is Maurice Hardy a.k.a Smoked Out, I was born in Miami, Florida Twenty one years ago on April 1, 1983. Living in Dade County and being around music I always had dreams of being a rapper. So now that I got the opportunity I feel like it's my time to shine. So every time I write I put my all in it, because I want to stay out of trouble and make something out of my self. Although living in Miami trouble always has it way to find you I just have to keep an open mind and stay focus on the big picture. I feel like I'm blessed to have cousins like MikeX and Arrea, because with out them none of this will be possible. I had the dream, they had the vision and now I truly feel like my life is going the way the lord planed it. I'm glad and thankful to have a

mom and dad who love me and always taught me to believe in the lord, and I want to thank them for not giving up on me.
