

Mp3 Paul Logan - On My Way Home

[DOWNLOAD HERE](#)

Texas music: country, Americana, honky-tonk, and cajun. 10 MP3 Songs COUNTRY: Progressive Country, COUNTRY: Americana Show all album songs: On My Way Home Songs Details: Paul Logan, a sixth-generation Texan, has been performing around the Lone Star State professionally since age 16. In the 80's, he was a member of "The Diamondback Band" in Kingwood, along with songwriters Scott Walker and Davin James. In the 90's, he fronted the bands "Texas Questions" and "Rodeo Mosquitos" in Huntsville. Logan has called Austin home since 1995, and is currently playing guitar for Shelli Coe - daughter of David Allan Coe. He also recently appeared on a live video performance with Scott Walker and "The Edge of Texas Band" (see Scott's myspace). He's played nightspots and festivals from Beaumont to Big Bend and beyond. In 2007 the Paul Logan Band opened for Jerry Jeff Walker for Miller Lite at the Houston Livestock Show and Rodeo. Logan's all-original 10-song debut CD, "Underneath Texas Skies", received critical acclaim and Texas airplay, as well as European airplay in Belgium, Holland, France Denmark, and more recently, The Netherlands. He's recently completed recording his second CD, which will be released early 2008. His music is authentic; described as Texas Music - Americana / Honky-Tonk / Progressive Country. Logan has been married for fourteen years, and is raising two boys.
