A blend of Rock and Hip Hop called HipRock 12 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, ROCK: Modern Rock Details: If you've never heard of HipRock, then you better get ready. Perfik Storm is the band who pioneered a new sound in Rock. They call it HipRock. It isn't Rock, but it is, It isn't Hip Hop, but it is. It is a new sound that is sweeping the country. A new sound that has a cult following at colleges around the country. A new sound that hasn't fully become commercial, but with the success of this group is well on it's way. Perfik Storm is made up of three rappers (Dragon, Avalanche and Misery), who just happen to not only love hip hop, but rock. So they decided to combine the two and bring you their new CD "Weather or Nott" on Pitchblak Entertainment Records. So if you are looking for something new, If you are tired of the same old rock, If you are tired of the same old hip hop, than this CD is for you.
