Power Pop 14 MP3 Songs POP: Power Pop, POP: British Pop Details: Debut full-length by this New Jersey 3-piece formerly known as The Shags! "Old school power pop done with new school spirit and verve. Definitely a band to watch out for!" - David Bash Theyve toughened up their sound and have maintained their sweet vocal harmonies! They take you on their personally guided musical history tour of guitar pop (that exhibits a plethora of influences The Beatles, Elliott Smith, The Rubinoos, The Who, The Rolling Stones, The Raspberries, Free, and Artful Dodger immediately come to mind) that begins with FM Liberation delivered with Street Fighting Man-like power chords, Keith Moon-like drumming, and John Entwistle-like bass lines! She Reminds Me combines All Right Now riff crunch with sugar sweet ooh and aah harmonies! Oh Nicole could be an Artful Dodger outtake! Gravity is Raspberries-like! You get the idea!
