Cruising the star-filled desert with the top down. A vast, wide screen reverb drenched spaghetti western soundtrack lost somewhere between the echoes of broken hearts and hope. 13 MP3 Songs ROCK: Psychedelic, ROCK: Modern Rock Details: The second full-length CD from New York's The Lost Patrol. More dreamy, heart broken yet hopeful music from this retro-futuristic band. Tales of lost loves and places far away combined with other-worldly instrumentals. The sound track for a long drive across a desert with the top down.
