Tierra Negra has designed their own signature guitar model. It is a totally handcrafted high quality flamenco guitar build by a spanish luthier. For more details about the guitar please visit the TIERRA NEGRA webshop or send an email to info@tierranegra.de Last summer, in July 2004, the GIPSY KINGS flew to Germany to play live at big a German TV show. Because their own instruments were stuck at the German customs, their manager called TIERRA NEGRA to borrow 8 guitars for this tv programm on the same day. When the guitars arrived at the venue the GIPSY KINGS immediatly started to make session with our instruments and didnt stop until the beginning of their tv broadcasting. During the show the GIPSY KINGS manager called us and told us that the band loves the sound and the quality of the TIERRA NEGRA guitars. He asked for a meeting with us and the band. It was great fun for us to meet the guys, to have dinner with them, to talk and to play with them. After our meeting the GIPSY KINGS offered TIERRA NEGRA to

endorse the TIERRA NEGRA guitar world wide!!! ALBUM INFO: "Furia Flamenca - passionate soulful" the 1997 debut cd from Germanies most succesful guitar duo! This cd was recorded between August and September 1997, after TIERRA NEGRA returned from their first tour to Canada. Tierra Negra got the record contract offered after their first show in Montreal. The two guitarrists Raughi and Leo flew back home and wrote the tunes on this cd. This cd includes also three cover songs from the Gipsy Kings(Bamboleo, Soy, Djobi Djoba). The cd sold extremly well on the german music market and was the beginning of their carreer in Europe and Canada. Tierra Negra founded their own label Tierra Negra Records oHG in January 2002. When TIERRA NEGRA received their copyrights back from their old record company in 2003 they re-released this album with two extra tunes and a new and more beautiful artwork(this cd contains now 16 tracks)in October 2003. Please feel free to visit our english website tierranegra.de to get more infos about TIERRA NEGRA and to listen to more tunes. STANDART PRESS INFO: Sensitive, romantic ballads, forceful melodies, virtuoso, rhythmical, fiery flamenco guitar playing characterize the individual style of TIERRA NEGRA.
