Details: Street Sounds: the story of love, anguish, and life in the big city. It is the debut record of Tim McGlone, an impassioned entertainer from Philadelphia. Backed by the support of a powerful backing band, "The Turn", and a rabid fan base, McGlone leaves nothing on stage. His love for live music and entertainment is evident throughout every note of every song. It is his humble beginnings, however, that make him who he is. His musical journey began in the small town of Chester Springs, Pennsylvania. With an arsenal of motown/soul inspired songs, Tim set off for Boston to conquer the New England music scene. It wasn't long until he formed "The Limericks", a rock band based at Emerson College in Boston. The Limericks made the move to Los Angeles, where they performed at several world famous venues including the Whisky a Go Go, the Viper Room, and the Troubadour. "I got to sing on the same stage as Elton John, Otis Redding, and The Doors. It really was a humbling experience", says McGlone. Tim has returned to his first love, Philadelphia, where arts, music, and entertainment reign supreme. "Traveling across the country playing music has really made me appreciate where I came from. It really is a blessing to be back in Philadelphia, back on the streets that inspired me for so many years." With the release of his debut album, "Street Sounds", his career is certain to take off. McGlone modestly states, "My ultimate goal is to avoid the cubicle."
