Acoustic Techno/Dance 9 MP3 Songs EASY LISTENING: Mood Music, ELECTRONIC: Pop Crossover  
Details: Buy this CD and I'll send you the 3 song promo to the fourth TK Wizard CD "By Invitation Only" for FREE! (Limited time offer.) I love acoustic guitars. I love dance music or anything with upbeat rhythms. I love instrumentals. So, I combined the acoustic guitars with techno or rock/pop beats. No vocals. The results have been very interesting. I'm pleased to say that the first TK Wizard CD "Party At The Castle" is such a success that the second one, "Crystal Dreams", is now available! See [cdbaby.com/tkwizard2](http://cdbaby.com/tkwizard2). And now a third "Willow Ghosts" at [cdbaby.com/tkwizard3](http://cdbaby.com/tkwizard3). Also a fourth called "By Invitation Only" is in the works! Here's a quick guide to some of the songs on "Party At The Castle": The opening track "Trancesonic" says it all. Single acoustic guitar over a trance beat with repeating melodic theme. The second track "Daddy's Dance" is a two guitar jam over a cool dance beat. "Alakazam" has a nice sax melody and at the end of the song trades riffs with the acoustic guitar. "Discover" is a disco style tune, but TK Wizard style. Opening solo piano turns into an analog synth melody with an acoustic build up at the end of the song. Guaranteed to get you out of the chair! Happy listening and dancing, TK Wizard Please note: This music was professionally recorded and mixed in digital format with the CD mastering done at a professional sound studio. To save costs, the CD art was designed on computer and printed on high quality photo paper. The music is burned onto CD-Rs with no shrink wrap. This insures that the artist benefits more directly!
