After great anticipation Too Brown unleashes his sophomore album "brownville". This phenomenal album hits the street with a southbound sound and a Latin twist. Get ready for the sounds of the Brown. 12 MP3 Songs HIP HOP/RAP: Hip Hop Details: Out of Corpus Christi by the way of south-west Houston emerges seasoned rapper Too Brown. Once a victim of the streets Too Brown turned the tide and beat the streets when he found God, his gift in music and kept focus. At the age of eighteen Too Brown released his indie-freshmen album "Past Tense" that expressed his views and life changing experience from a thug to a man over a southern/west coast sound. His purpose behind his music is to reveal truth to the streets with a positive message while at the same time captivating his audience with his musical presence. In the past eight years Too Brown has traveled and laid ground, performing for small and large venues, non-profit organizations, youth groups and school assemblies. Too Brown springs out with explosive energy, a new sound and performance. He brings to you the Latin sound of hip-hop, with songs like "Dance With Me", "Musica", and "What I See". Since the release of his trunk single "Dance With Me" Too Brown has been intensively busy doing shows promoting his next album Brownville. Tighten your seatbelts and get ready for the sounds of the Brown!
