

Mp3 Visionear - Digthesis

[DOWNLOAD HERE](#)

Grooves pile up along crunching lines of electric guitar then fall off into ambient endlessness. 9 MP3 Songs ELECTRONIC: Techno, JAZZ: Jazz Fusion Details: Detroit music multimedia preformer visionEar releases his first CD entitled "digThesis". This nine song set emerges from a long background of musical experiences. Touching down on many styles but never landing on one. visionEar describes this "chameleon" style CD as his touchstone. The context of this material manages listners senses into area where modern beats and melodies mix together like the patterns in a kaleidoscope. Never depicting any one style but, a combination of many.
