Sophisticated, high drama pop. 11 MP3 Songs POP: Quirky, ROCK: Modern Rock Details: Zikzak have created a style of lush, sophisticated pop that, while dealing with darker themes of love and loss, is also infused with a buoyant sense of humor. Spotighting Todd Stadtman's razor sharp songwriting, their 2000 debut album "See You There" combines Stadtman's velvet crooning with David Rubinstein's powerful guitar work and precise, hook-laden arrangements, creating an intelligent and moving collection which deserves many repeated listens. Here's what some reviewers have said about zikzak and "See You There": "This is great pop music: lush, weird, pretty and sad. Check it out." - Splendid E-zine "(Todd Stadtman) is genius of timeless pop who deserves much more praise than he has recieved." - aB Magazine "This is definitely a great pop group, well developed and unique." - Otoo Cheyenne "One of the best pure pop albums I've heard in a long time." - 181.4 Degrees from the Norm! "Stadtman croons post-modern, Prada-issue pop songs in a voice that recalls a young Bryan Ferry." - Pittsburgh Tribune-Review "It's an infrequent joy to find a band of this stature lurking on the edges of obscurity." - Tidal Wave Magazine "Dripping with melodrama and hooks, loud-soft-loud dynamic and smokin' guitar." - Tampa Weekly Planet/Jam "The cool crooning sounds of Zikzak are on full display on the full-length See You There CD." - Shake It Up
