You've purchased this product with Master Resell Rights. You are free to sell it and keep 100 of the profits. Tags: mrr, "Here's A Quick And Easy Way To Keep Track Of All Your Pets Important Medical And Treatment Records" Special bonus ... includes special manuals packed with recipes for over 200 cat and dog treats ... plus full Master Resale Rights so you can sell all this yourself and keep all the money! It's so easy to forget vaccinations and worming, which can have potentially disastrous consequences for our little furry friends. Equally important, but very easy to overlook is regular flea control. Anyone who's had a runaway flea infestation in their home will tell you that it's something they'd never want to experience

again. Pet Medical Recorder is a simple to use software tool which will generate a set of special forms to allow you to keep track of all your pets medical and treatment information. It will keep records of vaccinations, worming and flea control, so you can see at a glance when the treatment needs repeating. It will also record details of any medicines that your pet needs to take, general medical history, vet contact details, immunizations and health insurance details. Pet Medical Recorder can be used to generate forms to keep tabs on as many animals as you want, all with just a few button clicks. Now you can keep on top of your pet's medication and treatment the easy way with your copy of Pet Medical Recorder.
