The doctor's naughty wife gets a lesson she'll never forget. Adrian had been with Gary from the beginning. She was bright, efficient and attractive. She had bright eyes, a cute nose and a nice figure. Her legs were nice and long, but Teri had never seen just how good they looked as she always wore uniforms with pants. In fact, the good-looking nurses Gary, her husband, hired was one of the things that bothered her. Adrian had been there from the start, and it had bothered Teri to think that her husband was with her all day, but once she got to know the nurse, and saw that business and leisure did not mix, she relaxed. But there had been many part-time nurses that had worked in her husband's office. He had a hard time keeping them because he was very demanding and a bit blunt with their incompetence at times. They had all been pretty, and young, and Teri worried sometimes. After all, Gary was still an attractive man, even though he was in his mid-thirties, and he would be a real catch for some lithe, young thing.
