Houston Sadler was one of the richest men in Texas, but money wouldn't get this attorney Gabrielle Markham out of his life. When she showed up at his ranch, he expected her to serve him with a court order--not a newborn baby boy. After escaping from a deadly hostage situation, Gabrielle sought the one man guaranteed to protect her son--and had the legal right to take him away. Though their past encounters had sparked passion for all the wrong reasons, the billionaire cattleman now had new responsibilities to his miracle baby, and Gabrielle was far more maternal. As they fought to keep their newfound family intact, their trust and reliance on one another was perhaps the most unexpected result of all.
