MB Astro Dice Software is a wonderful divination software that lets you know your planetary details, zodiac sign details and also astrology house details. All these details are presented in three different tabs in a very comprehensive manner so that you can easily understand the influences of the planets in their positions in different houses and also the attributes of your sun sign. The free astro dice divination on MB Astro Dice Software presents your astro dice pattern and tells you which astrology house it is related to. The astro dice reading also explains to you the influences of the related astrology house. The astro dice details, as provided by MB Astro Dice will help you get an introspective view of your personality traits, natural and behavioral approaches, and basic tendencies and relate them to the influencing characteristics of the planets. Astro dice divination can help you choose the right fields of activities as well as the right ways to deal with different businesses. Please read the license-personal-use.txt and Install-Readme.txt.
