Facebook Amazon Review App PRIVATE LABEL RIGHTS INCLUDED! A few days ago I was talking with my friend Kevin on the phone and little did I know, hes an absolute GENIUS when it comes to Facebook apps! Once I found this out, I knew I had to put his skills to good use and develop something AWESOME for you. The conclusion we came to with our Facebook App is we knew it had to meet THREE CRUCIAL CRITERIA... It had to be: - SIMPLE to use - QUICK to implement - but most importantly, it had to CONVERT Facebook visitors and Likes, into \$\$\$\$ (which is a HUGE battle for most marketers on Facebook) Once we had it all planned out, I thought we had a long road ahead of us. I was ballparking that this Facebook app would be available 2 weeks from when we sketched it out? Maybe 1 week if were lucky? Well guess what... Kevin worked around the clock for 2 days straight and surprised me BIG TIME! He emailed just yesterday and said: New app is done. I couldnt believe hed got it done so quickly! Lucky for you, its now available... hot off the virtual shelf! ..and let me just say: This little Facebook app we call 5 Minute Amazon Product Review App for Facebook allows you to QUICKLY and PAINLESSLY set up

Facebook fan pages (that actually make SALES)! ... and NO - this is NOT difficult to use... its insanely user friendly (EVEN A 10 YEAR OLD could do it...seriously). Now - let me just stress here that this app is not only simple to use, but its also EXTREMELY POWERFUL! Why? Because it will actually bring you EASY affiliate commissions on complete AUTO PILOT. All you have to do is set it up, send traffic to your Facebook fan page, and watch the sales roll in. It seriously is that simple.
