Have you ever heard of the saying the money is in the list? Well it's true. The money is in the list.. but what about teaming up with someone else who already has a list?.. Maybe a list even bigger than yours! What if you could work with him or her to direct that traffic to your website or even to join your list? You would be able to accomplish so much more than if you were marketing solo right? I'm sure you have heard about people using Joint Ventures to build a successful product or even promote it successfully. The big misconception is that Joint Ventures are for the big guys and that's not true. There's a vast world out there of successful Joint Venture partners big or small. You've even probably read about it, but you want someone to take you by the hand and how you how do it step by step. This is what 'Joint Ventures For Newbies' was designed for. So What's In These Videos That Will Help Me With My Joint Ventures? Here are the six videos.. 1) What Are Joint Ventures And The Different Types Of Joint Ventures? - 07:06 Joint ventures should always be a win-win situation in which partnerships are created with two or sometimes more reputable business people. In this video, you'll understand the basics about what Joint Ventures and different types of Joint Ventures that are available. 2) What To Look For Before Starting

Your Joint Ventures - 19:57 The biggest thing you need to be looking for is whether your future JV partner is in your niche or target market. If they aren't in your target market, then you'll be wasting your time contacting them because most likely they won't even want to touch your product with a stick if it's not even related to their market. You learn the formula to knowing how to spot a successful JV partner beforehand to increase your JV acceptance rate. In this video, we will talk about different methods you can use to manually find Joint Venture Partners whether you use Google, Forums, Bloggers, etc.

3) What To Do Before You Approach Your Future Joint Partners - 12:01 It's good to build a relationship with the JV partner that you will be approaching because the less you are seen as an "outsider" that just contacts the person without establishing any relationships beforehand. By doing small little things discussed in this video, your JV acceptance can increase. A few tips you could use is when you approach JV partners, know about their products, and complement them. Best of all the methods explained in the video can take less than 10 minutes to do.

4) Gathering All The Information To Write A Successful Joint Venture Proposal - 17:44 Gathering all the Information before you write your JV Proposal is very important, because you want to do some quick research on your future JV partner as in what they provide, if they have any newsletters, and more. By doing this, you begin to establish a relationship with them. By using this method, when you contact them, they know that they aren't just another one of those JV partners that you are contacting.

5) How To Write A Joint Venture Proposal And What NOT To Do - 15:47 Now that you have the data you need to write the JV proposal, you can take what you learned about the possible JV partner and customize it fully. By customizing it and making it more personal you increase your JV acceptance rate. Once you setup your first letter, the rest will be a breeze, so in this video you'll learn how to piece everything together to write the email. One tip is to be personal, meaning address the person's name, not hey you or hey webmaster. The more you customize your proposal, the more it is easier to be read by the prospect. With that said, the beginning of the proposal is the most important part just like the headline is the most important part of a sales letter. It's what pulls someone in.

6) What To Do After You've Sent The Joint Venture Proposal - 06:41 Most people don't realize this, but follow ups are generally what closes the deal. Just because someone hasn't promoted your product not always means that they aren't interested. Most of the time, it just means they're busy promoting other things or they forgot. So it helps them to follow up once in a while. So...with that said, don't walk, but run. Grab this now and start building your most powerful ally in the internet marketing business!
