a suthern soulful profound that's neat cut, but yet smooth on the edge. 14 MP3 Songs URBAN/R&B: R&B Rap mix, HIP HOP/RAP: Southern Style Take You There Songs Details: Hello Global I've finally made it. I am a Mississippi native and majestic of it. This is my foremost album but when you listen to it you wont believe it. God has blessed me so much that it's unreal. During a time when rap music is the majority of the music you see and here on tv and radio he smooth blessed me with the creative skills to appeal to all. I've got songs for those who don't really listen to R&B. I've got songs that are inspirational. I've got songs for the players. But I did have to keep it real. I've got songs for the those who keeps me singing, THE LADIES. Fellas from one player to another don't get caught without this cd. I've set the tone all you have to do is bring it on. So listen to this album, buy this album, and tell somebody about that Suthern Boy name Acye Swift.
