Welcome to DISKNEXTNEXT. Filled with aggressive electronic percussive timbres, DISKNEXTNEXT's complex geometric and shifting soundscapes envelope the listener in an elementary, sinister melancholy. Ranging from shrill melodies to ironic compositional play 17 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Industrial Details: aproximation, composed of musician/producer thewade (A.K.A. Wade McDaniel), is founded from experimental electronic soil and sprouts sonic flowers accordingly. Algorithmic and ethereal, the music of aproximation tends towards the conceptual and the visceral as perceived through a dreamy filter. thewade, A.K.A. Wade McDaniel, creates (among many other things) visual and audio work. thewade toys with ideas of generative and algorithmic exploration of composition and color. With strong ties to connectionism, thewade seeks to build and express his own experiences and understanding using whatever means he can, and in response to these works be informed by other points of view.
