Singer/songwriter with a comic, jazz flair 11 MP3 Songs FOLK: Alternative Folk, JAZZ: Jazz Vocals

Details: As a songwriter, I draw on ideas that come into my head at the oddest times: while in the shower, while driving, even while sleeping. The lyrics need to tell a story, and often it's a humorous story. For example, a vanity plate on the car in front of me in a traffic jam read "Boris," and that gave rise to a modern day Russian love story about Boris and Natasha. My newest CD, Strung Out, contains many songs about male-female relationships, not always funny. The music is composed to fit the lyric, and this is why my music necessarily crosses many genres. I multi-track my recordings, singing all the vocal parts and playing all the instruments, but I often have a "guest star" record a track or two on my songs when they can play it better than me. People who are interested in should consider this download.
