Good poppy punk rock- good, real life with the edge and attitude that you would expect..... 8 MP3 Songs

ROCK: Punk, POP: Today's Top 40 Details: Since 1995 I DEFY helped shape the post-grunge sound of the northwest rock scene - now you can hear them here for the first time on the new EP "GO!", this non-stop full speed assault on pretty-pop is a MUST HAVE! Ireland MacBradaigh, vagrant from the streets becomes the songwriting engine behind the band -- right out front with ass-kicking guitar riffs and real world tales of New Orleans and Canadian Punk Rock Queens... Josh lays down the heavy on Bass and Backing Vox - hide your women from this swarthy Killer Clown - this is the guy your mother warned you about! Ben Nix drives the beat with his feet, putting the muscle behind the kit. Ben brought this band from the start and has never looked back!
