[DOWNLOAD HERE](#)

My style is a mix of hardcore techno, hip hop, pop, and world music. 22 MP3 Songs ELECTRONIC: Techno, HIP-HOP/RAP: Alternative Hip Hop Details: Dear DJ's and Party Music Lovers, I am sure that you will not like a lot of these songs. They will not make you want to dance at all. But, maybe you should listen to them anyway? I am your average joe type guy. I come from a middle class family. I made this music to discourage people from being happy and having fun in life. I originally made it for children to go crazy for their health, but I now realize that the music does not apply to anyone at all. I know you will definatley not enjoy this album I have put together. I don't hope it will inspire you to live life to the fullest possible. No thank you for reading this entry and don't have an awesome and exciting life!
