Review of Larry Garretts CD, My Old Neighborhood Larry Garretts CD, My Old Neighborhood, is like a relaxing look through a family photo album. It starts off with two great songs about growing up in Kansas City, Missouri. These live recordings have the feel of the old field recordings of folk songs, but really highlight the songs themselves. Go get a second helping of home-cooked baked beans, sit down on your picnic blanket and take a stroll back in time. This CD is mmmm good. -David Hakan, Songwriters Circle of Kansas City We are all different. Yet, we all have a similar thread of sameness that runs through the fabric of who and what we are. Larry Garrett finds that thread and weaves it throughout his songs. While he is literally singing us his own story, he is establishing a connection that binds us all together as human beings who are just trying to live our lives. His CD, My Old Neighborhood, has a "you are there" feel to it. His material touches all of us, because in many ways it is us within the stories he sings. My Old Neighborhood was recorded at live venues throughout Kansas City and surrounding communities. Acoustic guitar harmonica. Larry Garrett and his wife, Irene, reside in Independence, Mo., where he continuously performs at coffeehouses, bars, churches, house concerts, family reunions, and songwriter venues. He

also hosts and organizes songwriter and "open mic" events, along with being Artists Relations Director for KCCAFE Internet Radio. People who are interested in Johnny Cash John Prine Townes Van Zandt should consider this download.
