CEO Comments..... They predicted Rap music to die, but because of you and I rap lives on. It is so easy
for indepededent labels to drown in this ocean of the music industry, but because of you we swim on.
We just like to take this section to say thanks my peoples! Also look for albums featuring Bad AZZ, DAZ,
E-White, RBX and alot more. its gonna be not too, but 3FLY! WE TAKE THIS SHIT SERIOUSLY YALL!!
