Traditional Hebrew prayers set to simple but beautiful melodies. This recording will give you a new perspective on the Shabbat prayer service. 18 MP3 Songs WORLD: Judaica, NEW AGE: Meditation  
Details: Maggie Jacobs has been writing and singing locally for several years. Her clear voice and haunting melodies create a beautiful contemporary expression of Jewish prayer and meditation. On her debut album, Resound, she is joined by members of the Temple Beth Hillel choir in choral pieces and duets that reach directly into the heart and soul of the listener. These songs will give you a new perspective on ancient prayers. From Oseh Shalom, a prayer for peace, to the Kaddish -- the traditional mourner's prayer -- there is a song for every mood. This is a CD that you will listen to over and over again, whenever you feel the need to refresh your spirit.
