This first CD, July Blue, is a mix of 12 original songs and 3 stories, including "A.D.D. Blues" and "Bipolar Waltz." The new CD, "Mango Thoughts in a Meatloaf Town," has 13 original songs, including "Move Over" and "All Will Be Well." About July Blue This record was made in Spartanburg at Studio 151, where the bassist from the Marshall Tucker Band engineered the CD and played bass. The MTB keyboardist came through the studio, and offered to do a little Hammond organ. I think those things give this its southern-rock sound. I had a great time doing this one. I love the "psycho-country" songs.
