Trying to express their unique style of writing, Purlington Drive has brought back true original music with their emotional ballads, catchy lyrics and shredding guitar solos. Their undeniable stage presence and ability to get the crowd going with a great blend of popular covers and originals has helped them captivate audience after audience while building a growing Maryland fan base. ******Purlington Drive is currently in the studio working on their first album, to be titled "Forever Was", and is scheduled for release in the Spring of 2007. Preliminary release on Amazon.com, iTunes, CDBABYand Borders Books and Music****** Recently people have started asking who is responding to their emails. All of us in the band have access to the account and try to login and respond as much as possible. It is getting a bit more difficult recently, but we are still COMPLETELY keeping up with all emails, so talk to us! If you want to talk to a specific individual though, it's best to put his name up in the subject line, that way we can see what is for us when we log on.
