Details: After spending the last four years in Nashville, Ryan Weber has found a sound all his own, winning over countless fans and friends along the way. Ryan started playing the club scene and before long was quickly booking outdoor festivals. Most supporters of his music would credit his fantastic on-stage performances, intelligent and soulful lyrics, and simple determination for his recent success in "Music City". Ryan has now released his second and most anticipated EP "From The Hilltop". With Ryan's raw, honest vocals set over a background of both driving rock beats and soulful country sensibilities, pre-releases of "From The Hilltop" have already seen real attention not only by his fan base but also by music business professionals who have taken notice of this young talent. Ryan's first single "Light It Up Again" off the new EP has received a very warm reception as it is aggressively played throughout the states and is in heavy rotation in Texas. Ryan has also received strong support from many satellite and internet radio stations. If you are lucky enough to see Ryan Weber perform you will witness an incredible performance. "Ryan has the stuff," remarks longtime drummer Josh Mockerman. "There is simply no one out there right now who gives more of an authentic performance than Ryan Weber." Maybe it is just that indescribable way he can make you see what he sees and feel what he feels. Ryan has said, "There is always something to write about." As long as we have feelings, emotions, questions, as long as we are people, we will have music." I sincerely hope it's Ryan Weber's.
