Catchy, unique and FUN :-)) This teenage sensation's debut EP with guitar and keyboard driven pop songs will keep you dancing and singing along to every word. GREAT party music. 5 MP3 Songs POP: Pop, POP: Teen Idol Details: Pshyeah! Scotty Vanity taught himself the piano and keyboards at the age of 5. At age 15 he recorded his first single "I Like Your Hair" and released it on the internet. This quickly put Scotty Vanity on the radar. The outrageously quirky song became an instant hit and music lovers everywhere began to imitate his amusing catch phrases. His songs are irresistibly catchy ... his vocal style totally his own... and demand from fans has brought the arrival of Scotty Vanity's debut EP "Eyeliner is Spiffy." People who are interested in Kelly Jeffree Star should consider this download. Tags: pop
